

Kol Nefesh ("Every Soul")

CRT's exploration of Jewish Montreal September 28-30, 2018

CRT members learned about the Jewish experience in Montreal. Attending walking tours of the Plateau section of the city, the former Jewish neighborhood, we were able to discover the schools, synagogues, hospitals, and cultural organizations built by Montreal's Jewish immigrants around St-Laurent Boulevard that continue to leave their mark on Montreal society today. Pictured to the right CRT members were welcomed to Temple Emanu-El Beth Shalom by Rabbi Lisa Grushcow.
